CONCLUSIONI

La ricetta per un film da oscar è sicuramente dettata da un cast di eccezione con registi brillanti e attori e attrici di elevata sensibilità artistica ma l'**ingrediente principale** è la **casa di produzione**.

Se osserviamo con attenzione la slide relativa al miglior produttore vediamo come ai **Primi Posti** si classificano **le principali case produttrici** oggi presenti sul mercato.

La loro principale strategia è ricercare ingenti finanziamenti che consentono di poter produrre e proporre film con tutti i criteri per essere **Candidati** alla statuetta d'oro e avere alte **probabilità di vittoria.**
